**CLEVELAND INDIANS CHOOSE MERITECH, INC.  
AS “OFFICE DOCUMENT PARTNER”**

**August 6, 2003— CLEVELAND—** Meritech Inc. was chosen by the Cleveland Indians as the organization’s new “Office Document Partner.” Meritech, one of the top office equipment solutions providers in Northeast Ohio, will now provide Printers, Copiers, Fax and Document Solutions and consultant on Workflow Productivity for the internal and external operations of the baseball team.

“We are excited at the prospect of working with such a world-class sports organization like the Cleveland Indians,” said Dennis Bednar, Meritech President and CEO. Meritech 106 Staff Team and 25 years of experience will provide the Indians Front Office Staff with “Total Office Productivity Management”.

In the Indian’s front office, Meritech’s team of solutions providers has put together the winning technology combination to route, print, copy, and store the Indian’s documentation at lightning speed, using the document technologies from Minolta, Panasonic, EFI and Meritech.

“Our activities will also support on-field document operations during the home games, helping the Indians management team keep track of the roster of players on the field and team statistics,” said Bednar.
